THE CCBC DIFFERENCE

THERE'S MORE TO
TAKE A BYPASS
YOU'LL ALSO DIS

Guaranteed transfer

CCBC grads start here and finish at public and private colleges and universities near and far. Many take advantage of guaranteed admission to schools within the University System of Maryland. Graduate from our Honors program and you'll enjoy even greater distinction and transfer selection—not to mention scholarship opportunities.

Good company

In any given year, about half of Baltimore County's college-bound high school graduates choose CCBC. With some 63,000 students enrolling from throughout the Baltimore region and beyond—including working professionals, veterans and international students—CCBC offers you a unique, relevant and global perspective.

Impressive results

Recognized as one of the nation's top associate degree-producing colleges, CCBC readies students to achieve whatever goals they set. Our grads historically perform as well as or better than native students wherever they transfer. CCBC students also consistently exceed national averages on professional certification exam pass rates and employment.

Easy fit

College can be a big adjustment. Getting started close to home can help you ease into it. Plus, CCBC makes it easy to build a schedule that works for you—on campus, online or both. That's an extra advantage when you're working your way through school or balancing other areas of your life.

THAN ONE WAY TO GET WHERE YOU'RE GOING.
OR DETOUR AND STILL REACH YOUR DESTINATION.
DISCOVER THINGS YOU HAVEN'T IMAGINED.

Challenging academics

If you're up for the challenge, the CCBC Honors program will immerse you in a sophisticated classroom experience. Those admitted to the program earn at least a partial scholarship, benefit from the guidance of a faculty mentor, and are eligible for a 10-week paid residential research program at Johns Hopkins University. ccbcmd.edu/honors

Full college life

Take your education beyond the books with an expansive lineup of Student Life experiences. Expand your horizons with interest-related clubs, student government, service-learning trips, art galleries, fitness facilities and musical theatre productions. The possibilities are endless. ccbcmd.edu/studentlife

Extra support

At CCBC, you can be on your own without being left alone. Guided academic pathways help you keep moving in the right direction. CCBC advising, First-Year Experience mentors, 24-hour tech support, and individual, group and online tutoring in our Student Success Centers are there for you every step of the way. ccbcmd.edu/resources

Winning traditions

Take your game to a new level with CCBC Athletics—home to 20 men's and women's teams with a combined 17 national NJCAA championships. Our student-athletes have gone on to play for Division 1 schools such as Towson University, James Madison University and University of Florida. Prefer to play at a less competitive level? CCBC students also enjoy a variety of intramural sports like soccer, basketball, bowling, flag football and more. ccbcmd.edu/athletics
