November 23, 2015

Dear Parent/Guardian:

As we take a short break from school for Thanksgiving, on behalf of Team BCPS, I want to express our gratitude for everyone who makes it possible for students to attend school every day, on time, and ready to learn. Regular school attendance is the key to high school graduation and college and career readiness.

We are thankful for:

- All of our students and families for making daily attendance a priority since they know the habit of regular attendance will help students succeed in the classroom.
- All of our wonderful teachers who pour their energy into making each classroom an exciting place where students will want to come and learn.
- All of our staff and community volunteers who provide the extra care and attention to support our students.

As a school community, we are joining together to raise awareness about the importance of school attendance. Team BCPS has designated January as Attendance Awareness Month. During the month, parents and students will receive information about the importance of school attendance and participate in exciting activities and incentive programs. Join us in making this month a success.

We encourage you to closely monitor your child's attendance and work with us to raise awareness about the importance of attending school every day and on time.

We wish you and your family a warm and restful Thanksgiving holiday.

Sincerely,

Ken Miller
Principal
