April 21, 2021

Dear Lansdowne High School, Community, and Staff:

This letter is to inform you that Mr. Kenneth Miller will be retiring from Baltimore County Public Schools on June 30, 2021. I value the relationships that he has built with the staff, students, parents and the community and I sincerely thank Mr. Miller for his outstanding leadership at Lansdowne High School.

As we begin the search for a new principal, a part of the principal selection process in BCPS is to acquire input from school staff and community members. Meetings will be conducted with stakeholders to collect leadership characteristics that are important for the principal vacancy. I am committed to hearing from all stakeholders and to learning the characteristics and leadership skills that you would like to see in the next principal of Lansdowne High School.

- All staff members are invited to virtually participate on Thursday, April 29, 2021 from 3:00 to 3:45 p.m. to provide input on the characteristics of a new principal. The Microsoft Teams invitation will be emailed to staff members.
- All parents/guardians and community members are invited to virtually participate on Thursday, April 29, 2021 from 5:00 to 6:00 p.m. to provide input on the characteristics of a new principal. To join the Microsoft Teams, please call (301) 960-8406 and enter Phone Conference ID: 80289300#. Parents/guardians may also complete a survey [click here](#) and indicate the characteristics they feel are important for the next principal of Lansdowne High School.

The information gathered from the meetings will be used to develop a principal profile and a list of questions to use during the applicant screening and selection process. This profile is a very important part of selecting the new principal.

I want to assure you that I will work with the Lansdowne High School community to ensure that the principal candidate that is recommended will continue to support your students, staff, and parents in an excellent manner.

After the screening and interview process is completed, the Superintendent of Baltimore County Public Schools will make a recommendation to the Board of Education.

I look forward to meeting with you and thank you for your continued support of Lansdowne. High School

Sincerely,

Racquel Jones, Ed.D.  
Community Superintendent, West Zone
