Dear Parents & Students:

I've had the pleasure to serve as your principal for the past 10 years. Most of my career has been in the Lansdowne/Arbutus community. I was a teacher at Lansdowne Middle School (1998-2001), and assistant principal at Arbutus Middle School (2001-2006). In 2011, I was assigned to the principal position here at Lansdowne High. I was so excited. Half of my first graduation class were students from Arbutus Middle. I was their administrator when they were 6th graders. My placement here as principal was meant to be.

I have decided to retire during the next school year. The decision is exciting but at the same time breaks my heart. I will no longer work for the Lansdowne/ Arbutus community. This decision was a difficult one to make but it is time for my family and I to move in another direction in life.

I have served 18 out of my 30 years as an educator in this community. I am a VIKING. I am extremely proud of all the accomplishments our students have achieved throughout the years. Together, the community, students & staff have created a strong path for success. That path will continue. I want to thank you for your trust, compassion and allowing me to help provide an educational environment for your child.

Thank you,

Kenneth P. Miller
